Saloon Closing Checks Crime. London, Nov. 20 .- The falling off f crime in this country since the beginning of the war has been truly remarkable; as compared to three years ago there has been a diminution of 30 per cent. in indictable offenses," said Justice Robert Wallace today in charg ng the Grand Jury. The Justice explained that he attributed this de crease partly to public restraint in war-time, but principally to the reduction in the number of hours saloons are permitted to stay open. "The effect of this," said the Justice, "has
